RELATED PARTY TRANSACTIONS ("RPT") BETWEEN TAIKO PALM-OLEO
ZHANGJIAGANG CO. LTD ("TPOZ" OR "THE COMPANY") AND TAIKO
INTERNATIONAL TRADE (SHANGHAI) CO. LTD ("TAIKO INTERNATIONAL")

* Contents :-

Introduction

Pursuant to paragraph 10.08 of Bursa Malaysia Securities Berhad Listing Requirements, KLK wishes to announce the following RPT.

Information on the RPT

TPOZ, a KLK 90%-owned subsidiary, has appointed Taiko International via an Agency Agreement, as its sole and exclusive selling agent for TPOZ's products within the People's Republic of China (hereinafter referred to as "the Territory"), with Taiko International paid a sales commission of 3% on the products' sold price.

In addition, TPOZ also sells its products direct to Taiko International at prevailing market prices for the latter's own account. This is to facilitate Taiko International to sell the product to some small users at its own credit risk.

For the financial year ending 30 September 2007, the potential values for these transactions are estimated as:

a) Sales commission payable to Taiko International: RMB20 million (equivalent to

RM9.5 million)

b) Sales of stocks to Taiko International :RMB60 million (equivalent to

RM28.5 million)

Rationale

Taiko International is well established in China in the area of trading and distribution of various

products, including oleochemicals and chemicals in the China market. The appointment of Taiko International is to facilitate the development of market outlets for TPOZ's products. In addition, Taiko Marketing Sdn Bhd, the parent company of Taiko International, is a 10% joint venture partner of KLK in TPOZ.

Effects on the KLK Group

The aforesaid RPT will not have any effect on the share capital and shareholding structure of KLK nor have any material effects on the net assets, earning and gearing of the Group for the current financial year ending 30 September 2007.

Directors' and Major Shareholders' Interests

Taiko International is a wholly owned subsidiary of Taiko Marketing Sdn Bhd. Dato' Lee Soon Hian, a direct major shareholder of Taiko Marketing Sdn Bhd., is the brother of Dato' Seri Lee Oi Hian and Dato' Lee Hau Hian who both are direct/indirect shareholders and deemed major shareholders as well as Directors of KLK.

Accordingly they are deemed to be persons connected with Dato' Lee Soon Hian.

By virtue of Section 6A, Companies Act, 1965, the Wan Hin Investments Sdn Bhd group of companies are deemed major shareholders of KLK. Dato' Seri Lee Oi Hian and Dato' Lee Hau Hian are major shareholders of Di-Yi Sdn Bhd and High Quest Holdings Sdn Bhd respectively, which in turn are major shareholders of Wan Hin Investments Sdn Bhd. Accordingly, all these parties are to be regarded as interested in the said RPT.

As deemed interested Directors for the RPT, Dato' Seri Lee Oi Hian and Dato' Lee Hau Hian have abstained from Board deliberation and voting on the said RPT.

Save as disclosed, none of the other KLK Directors or major shareholder of KLK have any interest, direct or indirect, in the RPT.

Shareholders' Approval

The RPT does not fall within the class of transaction that requires shareholders' approval.

Directors' Statement

With Dato' Seri Lee Oi Hian and Dato' Lee Hau Hian having abstained from any deliberations on the RPT, the other Directors of KLK are of the opinion that the transactions are in the best interest of the Group.

Notes to Interim Financial Report

A Explanatory Notes as required by FRS 134₂₀₀₄

A1. Accounting Policies

The interim financial report is unaudited and has been prepared in compliance with FRS 134₂₀₀₄, *Interim Financial Reporting*, issued by the Malaysian Accounting Standards Board (MASB) and paragraph 9.22 of the Listing Requirements of the Bursa Malaysia Securities Berhad.

The accounting policies and methods of computation adopted by the Group in this interim financial report are consistent with those adopted in the audited financial statements for the year ended 30 September 2006, except for the adoption of the following new or revised Financial Reporting Standards ("FRSs") which became effective for financial periods beginning on or after 1 January 2006:-

FRS 2	Share-based Payment
FRS 3	Business Combinations
FRS 5	Non-current Assets Held for Sale and Discontinued Operations
FRS 101	Presentation of Financial Statements
FRS 102	Inventories
FRS 108	Accounting Policies, Changes in Estimates and Errors
FRS 110	Events after the Balance Sheet Date
FRS 116	Property, Plant and Equipment
FRS 127	Consolidated and Separate Financial Statements
FRS 128	Investments in Associates
FRS 131	Interests in Joint Ventures
FRS 132	Financial Instruments: Disclosure and Presentation
FRS 133	Earnings Per Share
FRS 136	Impairment of Assets
FRS 138	Intangible Assets
FRS 140	Investment Property

The Group has also adopted the following revised FRSs which are effective for financial periods beginning on or after 1 October 2006:

FRS 117 Leases FRS 124 Related Party Disclosures

The adoption of the new or revised FRSs does not have any significant financial impact on the Group other than for the effects of FRS 3, FRS 101, FRS 117 and FRS 140.

The principal effects of the changes in accounting policies resulting from the adoption of the above FRSs by the Group are as follows:

(a) FRS 3: Business Combinations

Under FRS 3, the negative goodwill which represents the excess of the Group's interest in the net fair value of acquirees' identifiable assets, liabilities and contingent liabilities

In accordance with the transitional provisions of FRS 3, the negative goodwill arising from acquisition as at 30 September 2006 of RM58,507,000 was derecognised with a corresponding adjustment to the retained earnings.

(b) FRS 101: Presentation of Financial Statements

The adoption of the revised FRS 101 has affected the presentation of minority interests, share of results in associates and biological assets.

In prior years, minority interests at the balance sheet date were presented in the consolidated balance sheet separately from equity. Minority interests in the results of the Group were also separately presented in the consolidated income statement as a deduction before arriving at the profit attributable to shareholders. With the adoption of the revised FRS 101, minority interests are now presented in the consolidated balance sheet as part of total equity. Minority interests in the results of the Group for the period are presented in the consolidated income statement as an allocation of the total profit for the period between the minority interests and the equity holders of the parent company. A similar requirement is also applicable to the consolidated statement of changes in equity where total recognised income and expenses for the period is disclosed, showing separately the amounts attributable to equity holders of the parent company and to minority interests.

Share of results in associates, which was disclosed previously as before tax, is now disclosed net of tax in the consolidated income statements.

Plantation development expenditure which was previously classified under property, plant and equipment is now disclosed separately in the consolidated balance sheet as biological assets.

The current period's presentation of the Group's financial statements is based on the revised requirements of FRS 101, with comparatives restated to conform with the current period's presentation.

(c) FRS 117: Leases

In prior years, leasehold interest in land held for own use classified as property, plant and equipment, were stated at cost and revalued amounts less accumulated amortisation.

With the adoption of FRS 117, the leasehold land for own use is accounted for as being held under an operating lease. Such leasehold land will no longer be revalued. Where the leasehold land had been previously revalued, the Group retained the unamortised revalued amount as the surrogate carrying amount of prepaid lease payments as allowed by the transitional provisions of FRS 117. Such prepaid lease payments are amortised on a straight line basis over the remaining lease term of the land.

The comparative figures are restated to conform with the current period's presentation.

FRS 140 defines an investment property as a property held for long term rental yield and/or for capital appreciation and that is not occupied by the companies in the Group. It is initially measured at cost, including direct transaction costs.

The Group adopted the cost model to measure its investment property. Under the cost model, investment property is measured at depreciated cost less any accumulated impairment losses.

Investment property previously classified under property, plant and equipment is now disclosed as a separate line item in the consolidated balance sheet as a part of non-current assets. In line with the revised requirements of FRS 101, the comparative figure is restated to conform with the current period's presentation.

(e) The effect to the Group's comparative figures on adoption of the above FRSs are as follows:

B Explanatory Notes as required by the BMSB Revised Listing Requirements

B1. Review of Performance

The 1st quarter's pre-tax profit of the Group declined 8.7% to RM194.2 million when compared to the previous year's same quarter, which latter quarter had the benefit of RM35.7 million surplus arising from Government land acquisition. The manufacturing sector's profit this quarter was lower owing to competitive market conditions but plantation profit was higher, due to favourable palm products and rubber prices, and increased FFB crop.

preceding quarter. The retailing sector had registered higher contribution due to seasonally high sales as well as benefitting from costs savings.

B3 Current Year Prospects

The Directors are of the opinion that the Group's profit for the current financial year would be higher due to significantly better plantation profit based on prevailing commodity prices. Manufacturing sector's profitability has been impacted by start-up losses from our oleochemical plant in China and from Davoslife. Going forward, these businesses are expected to turnaround.

B4. Profit Forecast and Profit Guarantee

The Group did not issue any profit forecast or profit guarantee during the current financial year to-date.

The transactions in foreign currencies which are hedged by forward foreign exchange contracts are recorded in the book at the contracted rates. Any gains or losses arising from forward contracts are recognised in the Income Statement upon maturity.

There is minimal credit risk for the forward foreign exchange contracts because these contracts are entered into with licensed financial institutions.

Bhd ("GGSB") vs. the Company, its wholly-owned subsidiary, Ablington Holdings Sdn
Bhd ("AHSB") and AmBank Berhad("AmBank") (collectively, "the Defendants")

The High Court on 3 April 2006 had ruled in favour of the Defendants. Inter alia, this ruling lifted the injunction which restrained AHSB from completing the acquisition of 35 million Ladang Perbadanan-Fima Berhad ("LPF") shares and from making a mandatory general offer for the remaining LPF shares not already owned by AHSB ("the MGO").

However, GGSB successfully appealed to the Court of Appeal against the decision of the High Court. The Court of Appeal gave GGSB up to 30 June 2006 to redeem the LPF shares by payment of RM99.5 million to AmBank. The Defendants have meanwhile filed an application for leave to appeal to the Federal Court against the Court of Appeal's decision, with hearing fixed for 15 February 2007.

Meanwhile, GGSB failed to redeem the AmBank loan by 30 June 2006 and its GGSB's application to obtain a further extension of time was dismissed by the Federal Court. As such, AmBank took the relevant steps to sell the 35 million LPF shares to AHSB on 20 July 2006. Pursuant to the said sale, the Company and AHSB served a notice of MGO on LPF. However, GGSB managed to obtain another ex-parte interim injunction on 24 July 2006 from the High Court (KL High Court Suit No. <u>D2-22-1033-2006</u>) ("GGSB's 2nd Suit") (see section B11.(b) below) to restrain the sale and the MGO.

(b) KL High Court Suit No. <u>D2-22-1033-2006</u> ("GGSB's 2nd Suit") between Glamour Green Sdn Bhd ("GGSB") vs. the Company, its wholly-owned subsidiary, Ablington Holdings Sdn Bhd ("AHSB"), AmBank Berhad and AmSec Nominees Sdn Bhd (collectively, "the Defendants")

The Company and AHSB have applied to set aside the ex-parte injunction and to strike out GGSB's 2nd Suit, and the applications are fixed for hearing on 26 February 2007.

(c) KL High Court Suit No. <u>D5-22-554-2006</u> ("the Taipan Suit"), Taipan Heritage Sdn Bhd, Value Heights Sdn Bhd, Leader Heights Sdn Bhd, Full Appraisal Sdn Bhd, and Yewlit Corporation Sdn Bhd ("the Plaintiffs") vs. AmBank, KLK, AHSB, GGSB and LPF ("the Defendants")

The Plaintiffs have filed a suit claiming to be shareholders of LPF and are seeking various reliefs. No hearing date has been fixed for the Taipan Suit.
